10-24-00 #68 11-7-00 #12.

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: Kate Dora Games, Dale B. Schmidt, Lisa C. McConlogue, Peter A. Seubert and Russell E. Rydel

Serial No.: 09/149,718 Art Unit: 1632

Filed: September 8, 1998 Examiner: Crouch, D

For: *Method for Identifying Alzheimer's Disease Therapeutics Using Transgenic Animal Models*

Assistant Commissioner for Patents
Washington, D.C. 20231

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §1.56 and 37 C.F.R. §1.97, Applicants submit a Supplemental Information Disclosure Statement, including sixteen (16) pages of Form PTO-1449 and copies of the documents cited therein.

Enclosed is a check for $240.00 representing the fee required under 37 C.F.R. §1.17(p) for an Information Disclosure Statement filed after a first office action on the merits under 37 C.F.R. §1.97(c). It is believed that no additional fees are required with this submission. However, should a fee be required, the Commissioner is hereby authorized to charge any fees to Deposit Account No. 01-2507.

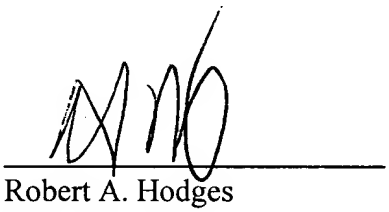
Remarks

This statement should not be interpreted as a representation that an exhaustive search has been conducted or that no better art exists. Moreover, Applicants invite the Examiner to make an independent evaluation of the cited art to determine its relevance to the subject matter of the present application. Applicants are of the opinion that their claims patentably distinguish over the art referred to herein, either alone or in combination.

Respectfully submitted,



Robert A. Hodges
